WUSB – Show Reglement

1. Request

A Saint Bernard club wishing to organise a WUSB Show must first familiarise itself with the WUSB show regulations and adhere to them.

- 1) The official request needs to be submitted to the Secretariat at least 2 years in advance and in sufficient time to be scheduled on the agenda of the annual delegates' meeting and to allow the delegates to vote on it.
- 2) The date of the show must be fixed at least 18 months in advance. The club must announce the venue and the weekend program at the delegates' meeting. If the club wishes to change the rules, the decision may be taken by the delegates at this meeting.
- 3) The show judges will be elected at this delegates' meeting. Each member club has the right to make a proposal. The judges are elected by the delegates. The 4 judges with the most votes are appointed to judge the WUSB exhibition. The next 4 ranked judges form the reserve.
- 4) Clubs that have not nominated a national judge may propose a judge from another member club once every two years. The proposed judges must have references in the breed and/or have judged Saint Bernards at least twice at international, national or club shows in the member countries and be on the official judges' lists of the FCI or the national Kennel Club. They must have attended at least one WUSB judges' meeting within the last three years. If a judge is unable to attend a meeting, he must apologise in writing prior to it. Repeated unexcused absences will result in a ban on appointment. A judge should not judge two years in a row at the WUSB. If a judge cancels his invitation, he will be replaced by a reserve judge in the voting order. When inviting to the show, the organiser will indicate the regular judges as well as the reserve judges.

2. Organisation

The entire organisation of the WUSB exhibition, including the duration of the show, i.e., one day (WUSB show only) or two days (WUSB show in combination with another exhibition), and the program is the responsibility of the organising club. If a two-days-show is being held, the WUSB show shall be held first.

The organising club appoints a Show Manager experienced in organising shows. He should be listed on the registration form as the contact person for the exhibitors.

The organisers must first obtain the permission of the WUSB Board to organise the show according to point 1, paragraph 2. Secondly, the approval of the national Kennel Club of the organising club must be obtained for the second show, if any.

The WUSB board is to be informed about the approval once it has been received.

Organisers must be insured by their club to run the event. A copy of the insurance certificate has to be presented to the WUSB board.

Judge's expenses:

The organiser will pay for the banquet, the hotel room the day before and the day after the judging as well as lunch and dinner on the day of the judging for each acting judge and one accompanying person.
